GENERAL & PE... MUNICIPAL BRANCH ... App. F III 2

The Town and Minor Municipalities in the State are now being freely allowed the privilege of having elected Presidents, and no fewer than a dozen municipalities have been permitted to have elected Presidents just after the ushering in of the new Ministry Further, to satisfy the desire of these civic bodies to shoulder larger responsibilities in the matter of administering Municipal finances , enlarged powers have been delegated to the Town Municipal Councils to expend Municipal funds which previously were being exercised only by the Deputy Commissioner's and that too in a more circumscribed and limited degree The Presidents of Town Municipalities have also been recently permitted to correspond direct with Government All these rights and privileges necessarily carry with them increased responsibilities Hence the services of Chief officers in all Municipalities which are ~~granted~~ granted the privilages of having elected Presidents ~~is~~ are essential in order that the Municipal Councils may be assisted by them in efficiently guiding the affairs of the Municipalities, besides being conducive to a better collection of the revenues

2 Most of the Municipalities are starved for finances and the employing by them of Chief Officers may prove to be burdensome Having regard to this fact Government in their order No L 10088-110ML-166-37-5 dated 17 6 38 have directed that an officer of second Grade be posted to Municipalities with an income of Rs 30,000/- and above and of the first grade to Municipalities with an income exceeding Rs 50,000/- A list of Municipalities which

3 Under Section 209 (A) of the Mysore Town Municipalities Act 1933 Government may, by Notification, take power to appoint Chief Officers in the case of any Municipal Council In view of the need and urgency for these Officers in the municipalities listed above, action may perhaps be taken to appoint them by invoking the provisions of Section 209 A of the Act, since prior consultation of Municipal Councils in this behalf involves delay

5) Chief Officers are required to see that the work of administration is carried on efficiently and regularly from day to day by the Officials of the Municipalities and the decisions of the Councils are promptly given effect to and also to watch over the Revenue Collection would prevent backlogs and its falling into arrears The non-Official Presidents and Vice-Presidents cannot ~~devote~~ be expected to give the same time and energy to this work as a full-time Executive Officer can be compelled to Though at first sight it may appear that a Chief Officer is a costly addition to the Municipal Establishment, when he attends to the Collection of revenue promptly and prevents backlogs and losses, his presence will have correspondingly increased the Municipal income

See 209(1) Reads as follows -

Any Municipal Council may and when required by the Govt by an order in this behalf shall, within such time as

Appointment of chief officers

may be fixed therein, appoint a chief officer for the Municipality"

33) It is seen from the above provision that when the Govt requires the chief officer to be appointed in a Municipality, it is mandatory that it shall appoint him. In the present case time was given to the Municipalities upto 15-3-[illegible] and when the Municipal Council has not agreed to the proposal it is open for the Govt to force the Municipality to have the officer

34) Section under Sec 209 A(a) the provision made is as follows.

The Govt may, by notification take power to appoint/depute the chief officer in the case of any Municipal Council

35) The above provision seems to be an enabling provision for Govt to take action to appoint a chief officer when the Municipal Council refuses to do so, when required by Govt

36) Sec 209-B appears to lend support to the above view and it reads as follows -

So long as a notification under cl (a) of Sec 209(A) is in force, the Municipal Council in respect of which such notification is made, shall cease to exercise the power of appointment under Sec 209 of the Act"

Subject - Appointment of a Chief Officer to Bhadravathi Municipality

With reference to your letter No L 8791-8/111 59-48-37 on the the subject noted above, I have the honour to state that the Municipal Council at the meeting held on 22-2-1949 have resolved that the income of the Municipality has gone above Rs 30,000/- due to the realisation of sale of sites from the last two years, and hence the question of appointment of a Chief Officer may not be taken up at present

From the perusal of the Budget estimates of the Municipality for the last three years it is seen that the income of the Municipality has gone above Rs 30,000/- due to the realisation on account of the sale of sites in the town The regular income by 'Rates and Taxes' is below Rs 30,000/- The Municipality has also to meet the increased expenditure consequent on the revision of scales of pay of the employees The appointment of a Chief Officer will be an additional strain on the finances of the Municipality

In these circumstances, I am of opinion that the question of appointment of a Chief Officer to the Municipality may be deferred for the present

With reference to your Memo No M3 C 2699-303/48-49 dated 11-2-1949 forwarding copy of letter No L 8791-80/M1 59-48-37 dated 2-2-1949 received from the General Secretary to Government, Bangalore, requesting that the Town Municipal Council, Bhadravati may be advised to agree to employ a Chief Officer - as the income of the Bhadravati Town Municipality is in excess of Rs.30,000/- for the last two years and it is required to employ chief officer, in accordance with G.O No L 10089-110/M1 166-37-5 dated 17-6-1938 and to forward the resolution of the Municipal Council, I enclose herewith a copy of the resolution of the Municipal Council passed at their special meeting held on 22nd Feb 1949 for favour of kind perusal In this connection I wish to state that the excess income over Rs.30,000/- from the last two years is due to the sale of sites by public auction and the present financial position of the Municipality is not satisfactory The normal income of the Municipality does not come up to Rs 30,000/- and further due to the revision in pay of the Municipal Employees, the Municipal council has to bear an increased expenditure and the establishment charges itself comes to nearly Rs 20,000/- per annum Considering all these aspects, the Municipal Council have resolved to defer the question of employing the Chief Officer for the present The question to employ the chief officer will be considered again when the finalcial position of the Municipality improves in the near futur

I therefore request you to kindly recommend to Government to defer the question of employing the chief officer, for the present, as resolved by the - Municipal Council

Sir,

With reference to your memo, No Mb 8/51 394/1949 dated 15/2/49 regarding appointment of a 2nd Grade Chief officer to this Municipality, I have the honour to inform you that the matter was placed before the Municipal Council in their Meeting held on 2/3/1949 and they have unanimously resolved that for the present the appointment of Chief officer to this Municipality may be postponed for sometime to come. Copy of the Council Resolution is enclosed herewith for kind information and to request that the Government may kindly be moved to approve the Resolution of the Council. In this respect I may kindly suggest that for the present there is no necessity for a Chief officer in this Municipality as arrears of taxes are not much. The non-official President and the President are looking after the administration of the Municipality and they can devote much attention towards the administration than a Chief officer and hence I concur with the Resolution of the Council orders of Government may kindly be obtained in the matter and communicated for reference.

Yours faithfully

President,

Subject - Employment of Chief Officers to Gubbi and Madhugiri Town Municipality

====

Sir,

With reference to your letter No L 8791-8/ML 59-48-37 dated 8-3-1949, on the above subject, I have the honor to forward herewith for the information of Government a copy of letter No He 93/48-49 dated 3rd April 1949 with its enclosure received from the President, Town Municipal Council, Gubbi and to state that the Municipal Council have at their meeting held on 29-3-1949 resolved that the appointment of a Chief Officer to Gubbi Town Municipality is not necessary as the income does not exceed Rs 25,000/- and that the Municipality is unable to meet the salary and allowances of the Chief Officer in view of its slender finances

As regards the posting of a Chief Officer to Madhugiri Municipality, I state that Sri S Girijappa, II grade Chief Officer, Channapatna Municipality has been posted to Madhugiri Municipality (vide C O No L 11216-35/ML 59-48-63 dated 1st April 1949)

I do not agree with the resolution passed by the Gubbi Municipality. Its finances are not so slender as to come in their way of having a Chief Officer for a better administration of the Municipal ~~Municipal~~ affairs. They have now got the privilege of electing their own non-official President. Gubbi town is one of the important towns in this District. It is very necessary

necessary and desirable that there should be a Chief Officer for its municipality I, therefore, recommend that the post of a Chief Officer of the II grade may be sanctioned to this Municipality and a competent officer posted at a very early date

Yours faithfully,

Deputy Commissioner,
Mumbur District

Ad 19/4

Copy of letter No P C 93/48-49 dated 3rd April 1949 from the President, Town Municipal Council, Gubbi

Subject -

Employment of Chief Officer to Gubbi Town Municipality

With reference to your office memo No A & C 2362/48-49 dated 9-3-49 on the above subject, I have the honor to state that the matter was placed before the Municipal Council at their meeting on 29-3-1949 for opinion They have resolved that the appointment of a Chief Officer to this Municipality is not necessary on two grounds, namely, that the basic income of the Municipality for the years 48-49 and 47-48 does not exceed Rs 25,000/- and the Municipality is unable to bear the salary and allowances of the Chief Officer on account of its slender sources

I may be permitted to state that the sanctioned receipts of the council for the years 48-49 includes a sum of Rs 9940/- being a loan from Govt for drainage works and a sum of Rs 15540/- being the receipts from the Municipal High School, Gubbi and Rs 8000/- being the realisation of building sites expected to be sold, the total on these heads being Rs 33480/- Deducting this amount from the sanctioned income of Rs 56101/- the net income under other heads comes to Rs 22,621/- only

In the budget for the year 47-48 the sanctioned receipts is Rs 34,037/- which includes a sum of Rs 8000/- as the expected realisation from the sale of sites and Rs 4920/- being the receipts from the Municipal High School Deducting these amounts from the receipts the balance will be Rs 22,117/- only

The receipts from the sale of sites are not yet realised and receipts under this head is not recurring

PTO

It is thus seen that the annual income to the Municipality from normal heads of Revenue is about Rs 28,000/- under these circumstances the appointment of a Chief Officer may kindly be postponed till income reaches upto Rs 30,000/- The copy of the resolution passed by the Municipal Council is herewith enclosed for kind perusal

Sir,

Subject Appointment of Chief Officer in Anekal municipality

With reference to your letter No. L 8791-8/1 39 48 37 dated 2.2.1949, I write to state that the municipal Council, Anekal have at their meeting held on 27.2.1949 resolved to have a Chief Officer in the municipality.

The present financial position of the municipality does not permit this extra expenditure. Moreover, this municipality is asking for a heavy loan to the extent of Rs. 65,000/- to meet its quota of Contribution towards Water supply scheme which is a very important requirement of the municipality. The municipality will have to pay annual instalments together with interest towards the above loan. In addition to this, the municipality, in my opinion will not be in a position to meet the expenditure to be incurred in having a Chief Officer.

In the circumstances, I request that the question of appointing a Chief Officer to Anekal town municipality may be ordered to be deferred for the present.

The connected papers accompany.
